Non-Responsive and Declined Funds Under CLFRF

This list identifies the Non-Entitlement Units of Local Government (NEU) that are "non-responsive" under the federal Coronavirus Local Fiscal Recovery Fund (CLFRF), as established under section 9901 of the American Rescue Plan Act of 2021 (ARPA). For information on the NEU program, visit www.michigan.gov/ARPA.

NEU was non-responsive: As required by U.S. Treasury, after the Michigan application to request funding was available on July 7, 2021, NEUs were given more than 60 days to respond. The Michigan Department of Treasury has made multiple attempts to notify the NEU of the available funding. Communication was issued broadly through emails, webinars, and public notifications. Additionally, specific certified letters and phone calls were made to contact these NEUs. These NEUs were provided deadlines and clear guidance in the certified letters that failure to respond would result in forfeiture of the available funding.

NEU selected to be treated as non-responsive: These local units have selected not to receive funding, by selecting "option three" on the CLFRF NEU Funding Election and Budget Certification (Form 5751). This selection confirmed that the NEU declined the CLFRF funding by selecting neither option one or two on the form. For U.S. Treasury purposes, the NEU will be classified as "non-responsive."

Under U.S. Treasury guidance, the local units on this list were deemed non-responsive by the Michigan Department of Treasury as of October 29, 2021. The funding allocated to these NEUs will be distributed proportionately to the NEUs that accepted CLFRF funding.
